Subject — Shandy Maidan - Revised estimates for - Rs 22890/-

***

SIR

I have the honour to state that Government in their Order No L 8604-7/M1 76-38-8 dated 21-4-1939 have sanctioned two estimates for Rs 7000/- and 1000/- respectively for (1) the construction of a compound wall, sheds etc , and (2) levelling the ground in the new shandy maidan at Shimoga The President, Town Municipal Council, Shimoga, has reported in his letter No C C 143/38 dated 3-5-41 that during the course of the executionof the work it was found that the amount of Rs 1000/- provided for levelling the maidan was insufficient as the site selected was full of pits which had to be filled up and that the estimate has therefore been revised on the basis of the actual wages paid for the work of levelling for Rs 2150/-

2 In the original estimate it was contemplated to have a brick and mud compound wall on three sides and wire fencing on the rear side At the suggestion of the Executive Engineer, Shimoga Division, it was proposed to have R C C compound wall and the revised estimate comes up to Rs 5200/-

3 A sum of Rs 4650/- has been provided for construction of sheds for stalls, with slight modification in the materials, the estimate has been revised to Rs 4400/-

4 On account of the increase in the number of culverts, the estimate for this item of work had to be revised from Rs 502/- to Rs 760/-

5 In the revised estimate a sum of Rs 10,380/- has been provided for flooring, ~~cut,~~ forming roads and foot paths in the new Shanday Maidan

All these estimates have been scrutinised by the Superintendending Engineer, Shimoga Circle

The Municipal Council, in their Special General meeting held on 28-4-41 have sanctioned the revised estimate for Rs 22890/-

In the circumstances, I request you to be so good as to obtain sanctionof Government to the estimates

Subject — New shandy maidan - grant of an additional loan of Rs 15,000/- Shimoga Town Municipality

SIR

Adverting to your letter No L 8814/Ml 59-40-8 dated 7-0-41 on the above subject, I have the honour to state that the President, Town Municipality, Shimoga, has reported that detailed estimates for all the works connected with the shandy maidan, were got prepared and sanction obtained as detailed below -

I Original estimates	Rs
i) Levelling of the site selected for the shandy maidan	1000
ii) Construction of a compound wall to the shandy maidan and erection of stalls	7000
iii) Construction of a slaughter house	4840
iv) Construction of a mutton stall	4500
Total	Rs 17,340

2 During the execution of the aforesaid works, it was found that (1) the amount of Rs 1000/- provided for levelling the site selected for the shandy maidan was insufficient and the estimate has been revised to Rs 2150/-, (2) Owing to the rise in the prices of materials, the estimate for the construction of the mutton stall had to be revised from Rs 4500/- to Rs 5180/-

3 A fresh estimate of Rs 10,380/- was prepared for flooring and forming roads and foot paths in the shandy maidan These works were not thought of originally but were undertaken as they

they were all necessary before shifting the sandy to the new place

4 The estimate of Rs 4840/- for the construction of the slaughter house was not revised

5 Against the sanctioned estimate for Rs 7000/- for the construction of compound wall and stalls, three revised estimates were prepared viz , (a) for the construction of R C C compound wall (in place of brick in mud wall as was originally proposed) for Rs 52,00/- (b) for the construction of stalls for Rs 4400/- and (c) for the construction of culverts for Rs 760/- Thus the revised estimate under th s head rose up from Rs 7000/- to - Rs 10,360/-

It will thus be seen that as against the total estimated cost of Rs 17340/- for several works originally sanctioned, the cost of the revised estimates for those works amounted to Rs 32,910 as detailed in the margin* The works have been executed as per revised estimates

*Original sanctioned estimates		Revised estimates	
i) Levelling of the site	Rs 1000	Rs 2150	
ii) Construction of a compound wall and stalls	Rs 7000	Rs 10360	
iii) Construction of Slaughter house	Rs 4840	Rs 4840	(not revised.
iv) Construction of Mutton Stall	Rs 4500	Rs 5180	
v) Fresh estimate for flooring and forming roads and foot paths		Rs 10380	
Total	Rs 17,340	Rs 32,910
